To the Max

Don't banish your favorite summer maxi dress to the back of your closet. Just add these four classic pieces to create a perfect look that will work for any chilly fall day.

- 1 Cardigan** Throw a thin knit cardigan over your dress. Choose a solid color that won't interfere with the pattern.
- 2 Belt** Cinch your sweater with a cool belt to give it shape.
- 3 Scarf** All lengths and thicknesses work, from lightweight cotton to chunky wool.

Posh Grunge

This season, go for a perfectly unpolished look. Mix luxe-looking items like silk dresses, faux fur, and sparkly accessories with grunge pieces like baggy jeans and jeans. It's a chic mess.

Black Tied

Why should guys get to have all the bow tie fun? Lucky for us girls, the tuxedo trend is popping up everywhere, from T-shirts to undies. Just throw on a pair of jeans and patent flats and you'll look fabulous, dahling.
